To: Western Canada Hockey League,

Citizens of Edmonton.

Greetings:

We enter the 1950-51 Hockey Season with a deal of optimism, looking forward to a season of good Hockey entertainment, coupled with some argument, and there can be no Hockey without the latter. Let us go into this season determined that we as Edmontonians and Hockey Patrons, will in our behaviour exemplify the best possible sportsmanship in a give and take attitude at all times, giving the other fellow his just due. We cannot always win.

Your Exhibition Association have striven to give you a good team this year, a team which they hope will be on top of the heap when the season closes, and you can be assured the team will always be trying for that spot. So let us support them to the limit on a fair sporting basis.

To the Club, may your aspirations be fulfilled and you finish on top of the League.

To the Exhibition Association, a good business season, compatible with the best considerations for the fans.

To the fans, a satisfactory and enjoyable season, and may your team satisfy your every desire as a Hockey Club.

Mayor.

GREETINGS FROM THE PRESIDENT
EDMONTON EXHIBITION ASSOCIATION LIMITED

As another hockey season approaches it gives me great pleasure on behalf of the Edmonton Exhibition Association to welcome the many loyal fans of the Flyer Hockey Team. The whole hearted support of fans in Edmonton and Northern Alberta is greatly appreciated by the sponsors of the Flyer Hockey Club. This encouragement given the Flyers by our patrons has been most gratifying. The Edmonton Exhibition Association has endeavored to justify your support by giving you a good competitive team and by improvements made to the Gardens so that you can enjoy the games in greater comfort.

To every member of the team I extend good wishes for the coming season. Edmonton is Canada's fastest growing city and the Oil Capital of Canada. It is inevitable that its fans should demand a top-flight hockey team. In 1947-48 you won the Allan Cup, last year you

finished at the top of the W.C.S.H.L. schedule. This year no doubt you will justify the confidence of the public by giving us the Western Canada Championship and possibly again the Allan Cup.

H. W. J. MADDISON.

FRANK CURRIE

Manager and Coach, Edmonton Flyers

Frank is going into his fourth year as coach of the Edmonton Flyers. Last year it will be remembered the Flyers were out in front by 10 points at the end of the regular league schedule. However, they seemed to lose their edge during the lay-over of the semi-finals between Calgary and Saskatoon and lost out in the finals to the Stampeders.

In 1947-48 Frank piloted the Edmonton Flyers to their first Allan Cup championship. We missed last year but the present season looks quite promising.

Frank Currie came to Edmonton from the Montreal Forum where he was one of Frank Selke's right hand men. Played plenty of hockey too and starred for the Haringay Greyhounds and Earls Court Rangers in England and the Montreal Royals and Quebec Aces. He has also been a top notch lacrosse player. Frank coached the Verdun Juniors and the Canadien Juniors before coming West. The Canadien Juniors reached the Eastern finals. Don Durno, line coach of the Edmonton Eskimos, was a teammate of Frank's when he played in England and according to Don our Flyers' coach was plenty rough and tough as a defenceman. Frank Currie is a pretty cagey mentor and has never missed being selected as coach with either the first or second All-Star Team since coming to Edmonton.

DOUGIE ANDERSON

rookie award in the W.C.S.H.L. season 1947-48. Stood third in individual scoring this past season (62 points—18 goals, 44 assists). Dougie had another good year with the Flyers playing mostly on a line with Latoski and Kilburn. Dougie, like his teammate and business associate, also turned down an opportunity to turn out this year with the Montreal Canadiens of the N.H.L. He will start off this season playing on a line with Pringle and Merluk—and what a line this could turn out to be!

COLIN KILBURN

Nicknamed "The Rock". A terrific competitor. Won rookie award and C.K.U.A. trophy in his first year senior hockey. In 1949-50 season achieved the W.C.S.H.L.'s most coveted individual trophy "The Gordon Efficiency Medal" and "The McSherry Trophy" awarded to the most valuable player to his team.

Had his best season last year. Was high scorer in the league (51 goals, 29 assists) breaking previous goal scoring record held by Dunc Grant. Recently turned down attractive offer from Montreal Canadiens to stay home and go into business with teammate and buddy Dougie Anderson.

Barry and Kilburn were teammates with Edmonton Capital Juniors in 1946-47. The following year he went to St. Michael's Juniors, then to Boston Olympics and finally to Sherbrooke of the Quebec Provincial League. Sherbrooke won its league title both winters and Ray assisted to the extent of 78 points and 72 points respectively for the two years he played with them. A. W. (AL) PICKARD

President, Western Canada Senior Amateur Hockey League

A. W. (AL) PICKARD

Mr. Pickard takes over as president of the Western Canada Senior Hockey League with the commencement of the 1950-51 season. In that position he succeeds D. P. McDonald of Calgary, who until this season, served as president since the W.C.S.H.L. was organized after World War II.

The Regina School Principal brings to the Western Canada League a reputation of long and efficient service in various capacities with the C.A.H.A., including the presidency. He has been an enthusiastic sportsman for many years and has given invaluable service to hockey—Canada's favorite winter sport. As president of the W.C.S.H.L. Mr. Pickard deserves the co-operation and good will of the executive, the various team members and hockey fans as a whole.

May the league prosper under his guidance.

player has a "record of performance" that speaks for itself. Last year he stood second in the league scoring race with 63 points. Many hockey fans can well remember his terrific performances in the Flyers' drive to the Allan Cup three seasons ago. A top performer and always a scoring threat when on the ice, Bing should have another very good season.

ELMER KRELLER

Played his junior hockey with the E.A.C. organization. Elmer has been designated the best defensive forward in the W.C.S.H.L. Time and again with the assistance of either Freddie Smitten or Alex Pringle, Elmer has performed sensationally in killing off Flyer penalties. His job of shadowing Billy Taylor in the Memorial Cup finals in Toronto has become hockey legend. Last year Elmer just missed placing in the first ten in the scoring parade a fact which indicates that he is a consistent point getter.

of his hockey career. Had the second best goalkeeping record last season—lost out to Russ Dertell of the Stampeders by a small margin. Ray was born at Fort Francis, Ontario, some 21 years ago and learned his hockey around the head of the lakes. He played for the following teams prior to coming to Edmonton: Port Arthur Bruins, Hamilton Lloyds and Brandon Wheat Kings. Ray had a little trouble with shutouts last year. Better luck this time!

EDDIE CUTTS

This will be Eddie's second year with the Flyers. In 1943-44 he played defence for the Montreal Junior Royals. After two years with the Royals he moved to Oshawa Generals for the 1945-46 season. During the fall of 1946 he signed a professional contract with Toronto Maple Leafs. Was later sent to Pittsburg and then to Hollywood. Eddie had a good year in 1946-47 but failed to make the Toronto Maple Leafs the following season and after a two-year lay-off came to the Flyer organization. This should be a good year for this blond defenceman.

Second year with the Edmonton Flyers. Ray should come up with the best year

scored 29 goals and 13 assists for a total of 42 points. He is a consistent performer and has had his share of duties in the back checking department with linemates Kreller and Smitten. There is a possibility that Alex will be playing on a new line this year. He can be depended upon to give a good account of himself. Learned his hockey in Edmonton and graduated from the Maple Leaf Juniors.

STEVE WITIUK

Young Witiuk is a scrappy little right winger who comes to the Flyers by way of the Kamloops Elks. After graduating from Winnipeg Junior Black Hawks he turned senior with Regina Caps. After playing 8 games with Regina he transferred to the Elks. Steve had an effective hand in helping Paul Thompson's club win the B. C. title last year. He is 21 years of age.

GORDIE WATT

Team captain for the past three seasons Gordie has always been a tower of strength on the Flyer defence. Was picked on the first all-star team of the W.C.S.H.L. last year. He scored 4 goals and had 24 assists. Gordie is the type of player who keeps in good physical condition the whole year round and as a result he can skate with the best of them. Barring accidents Gordie should have another good year with the Flyers. Another graduate of the E. A. C. junior organization.

STEVE LATOSKI

This is Steve's second year with the Flyers. Stood 4th in the scoring race with 16 goals and 44 assists for a total of 60 points. Had it not been for Steve's injury during mid-season the scoring statistics may have looked somewhat different. Learned his hockey in Winnipeg where he played with Elmwood Maple Leafs. Later moved to England to play for Harringay Greyhounds. Has played with Ottawa Senators, Sydney Millionaires and Cornwall Flyers. Was in the army for four years and served overseas. Steve came to the Flyers from the Lethbridge Maple Lafs when that team dropped out of the W.C.S.H.L.

SPORT RAMBLINGS AND PERSONALITIES

By STAN MOHER, Sports Editor, Edmonton Bulletin

REDLINE RAMBLINGS: While no official announcement has been forthcoming from the Canadian Amateur Hockey Association, it's understood that body will stand firm on its recent award to Saskatoon Quakers of the services of defencemen Bill Heindl and Larry Zeidel . . . Quebec Amateur Hockey Association, under whose jurisdiction Heindl and Zeidel played last season, has threatened a break with the CAHA unless the players are returned east . . . Even this threat seemingly will not move CAHA President Doug Grimston and associates to send Heindl and Zeidel back to Sherbrooke and Quebec, respectively.

Forwards Don Campbell and Bill Hryciuk, released recently by Calgary Stampeders, have returned to British Columbia . . . Campbell has hooked on with Kamloops Elks, the team he played with last season, while Hryciuk last was reported considering an offer from Kimberley Dynamiters.

Regina Caps, desperately in need of defencemen, would like to pry Harvey (Pug) Young, longtime Flyer, loose from his south side moorings. It's not likely that Young would consider joining the Reginans, unless he could gain a leave of absence from his work with the City telephones.

Bernie Bathgate, former Flyer now with Kamloops, is figuring more prominently in the scoring summary than was the case earlier in the season . . . Both 'Handy Andy' Clavechok (Nanaimo) and Bud Evans (Kelowna), also former Flyers, are proving valuable cogs in the Mainline - Okanagan loop teams for which they now perform.

Forward Norm Larson, who joined Calgary Stamps last week, was one of the finest juniors ever to come to the Gardens (Arena it was then) in the days when he played out of Saskatoon . . . Larson had a brief whirl with the ill-fated New York Americans, of the National League, then joined Hershey Bears of the American circuit.

Remember the Bobby Carse - Jack McDonald - Johnny Kennedy trio that was considered Flyers' 'big' line in the 1945-46 campaign? Only Kennedy, who plays a little for Red Deer in the Central Alberta intermediate circuit, still is active in a playing role . . . McDonald is out of it altogether. Carse confines himself to serving as linesman for Cleveland Barons' (American League) home games.

He and Kreller are backchecking wizards and are noted for their good work in killing off penalties when the Flyers are shorthanded. For the number of games played Smitten was the least penalized player in the W.C.S.H.L. last year.

In practices and exhibition games Doug has looked pretty sharp on defence. His experience and general hockey ability make him an asset to the Flyer Hockey Club. This is the fourth year Doug has played with the Flyers since taking a professional turn with the Cleveland Barons. Besides being a good hockey player Doug is a better than average baseball player. Always a keen competitor Doug usually plays a heady, clean game on defence. He is well known to hockey fans in the West and appears to be in for another good year.

Bill played his junior hockey with the E.A.C.'s and the C.A.C.'s in Edmonton. He should have another good year.

ROY HEXIMER

Last year played with the Calgary Stampeders who went to the Allan Cup finals against Toronto Marlboros. Roy was born in Niagara Falls, Ont. Played most of his hockey in Eastern Canada before joining the Lethbridge Maple Leafs. Did puck-chasing chores for Sudbury, Montreal Royals and Quebec Aces before coming West. Stood tenth in the scoring race last year — 42 points (23 goals 19 assists). Roy will likely play right wing on a line with Kreller and Smit-ten.

This will make Bill's fourth year with the Flyers. He played steady and

in 1933-34. Later joined the New York Rangers where he played mostly on a line with brother Neil and Alex Shibicky. For several years this was one of the best lines in the N.H.L. During 1947-48 Mac was playing coach of the Vancouver Canucks of the Pacific Coast League.

Height 5 ft. 8 inches and weighs in the neighborhood of 190 lbs. Mac has looked very good in practices and exhibition games and should be an asset to the Flyers' rearguard.

BILLY MORRISSEY

Billy has been with the Flyer organization for quite a few years in the capacity as stick boy. He helped them win the Allan Cup in 1947-48! A likeable young man who is popular with both players and management.

Was a teammate of Gordie Watt with the E.A.C. Juniors that went to the Memorial Cup finals

RILEY MULLEN

Coach, Saskatoon Quakers

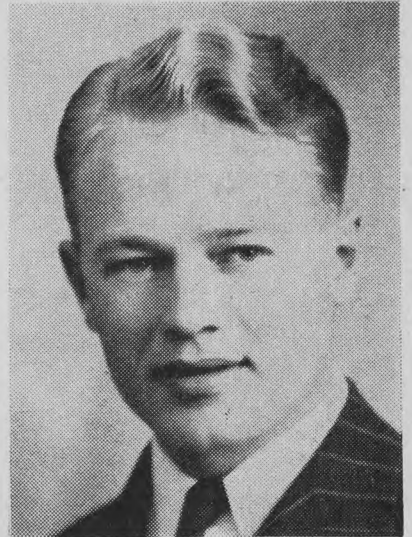

out of a playing slump and got them into the semi-finals. They lost out to the Calgary Stampeders.

Before going to Saskatoon Riley Mullen was a referee in the United States Hockey League and later with the W.C.S.H.L. He also coached the Edmonton Flyers for two years previous to the season of 1947-48. Played defence for various teams in Western Canada in the past including the Edmonton Flyers.

BYRON R. "BUTCH" McDONALD

Coach, Calgary Stampeders

All of us can remember the good job accomplished by "Butch" McDonald when he took over the coaching duties for the Stampeder Hockey Club last season. A hockey club that was at the bottom of the W.C.S.H.L. for a time, was taken right to the Allan Cup finals. They lost out to the Toronto Marlboros. "Butch" played hockey for Chicago Black Hawks, Detroit Red Wings, St. Louis, Pittsburgh, Indianapolis, Kansas City and finally for the Calgary Stampeders. He was always a prolific scorer. Best wishes "Butch" for continued success.

Replaced Nick Metz as coach of the Saskatoon Quakers during the 1949-50 season. Riley seemed to pull the Quakers

KEN DORATY

Coach, Regina Caps

Cagey Ken Doraty, the one-time mighty mite of the National Hockey League, is the new mastermind of Regina Caps. He comes to the Caps after handling the Moose Jaw Canuck Juniors for four seasons. A one-time right winger, Doraty stepped into the N.H.L. in 1932-33 with Toronto Maple Leafs. He was with them for three years and spent part of the 1937-38 campaign with Detroit Red Wings. Doraty gained his greatest fame on April 3, 1933, with the Maple Leafs. That was the night of the lengthy Toronto-Boston Bruin marathon in which the mighty mite scored the only goal of the game after 104.46 minutes of overtime. That tally provided Leafs with the league championship. The popular little mentor is the type of coach who demands hustling hockey players.

a top notch team. Coached the Edmonton Superiors when they made their famous overseas tour in 1934-35. Besides being a mighty handy man on skates in his day Ira Stuart was also a better than average lacrosse player. Ira has been a valuable member of the Edmonton Flyer organization for the past few years and would be hard to replace in his capacity as equipment manager.

Ira has long been associated with hockey in Alberta. Played defence for Camrose in the days when that town had
